

Financial Aid Instructions

In order to ensure that your financial aid is handled properly we would ask you to follow the steps below to avoid any problems.

1. You need to apply for financial aid **AS PART OF THE APPLICATION PROCESS**. **This should be done prior to the application deadline.**
2. You will need to fill out or modify two FAFSA applications.

For Example:

If you are starting summer 2007, you need to fill out the 2006/2007 FAFSA and the 2007/2008 FAFSA. This is required because the initial summer term financial aid falls under the 06/07 FAFSA while the Fall and Spring semesters will fall under the 07/08 FAFSA application.

Please go to the following website to complete the FAFSA application process

<http://www.fafsa.ed.gov/>

Special Note

Anyone who has already applied for financial aid during the 2006/2007 academic school year (ie. you are in school right now at any institution) will need to make a correction to your currently processed FAFSA. **YOU DO NOT NEED TO FILL OUT A NEW 2006/2007 FAFSA.** However, you still need to fill out the 2007/2008 FAFSA.

Listed below are step by step instructions on how to make corrections to your processed FAFSA

1. Go to: <http://www.fafsa.ed.gov/>
 2. Under the heading "Follow up FAFSA" click on the link titled "Make Corrections to a Processed FAFSA"
 3. Select the year of the FAFSA that you have already completed and click next **(2006/2007)**
 4. Fill in your personal information and click Next
 5. Find the area where you entered the federal codes of the universities you wish to receive the information. Please add UNLV's federal code, which is: **002569**
3. If you have any difficulties with this process or have additional questions you can contact the UNLV Financial Aid Department at (702) 895-3424.
